"GOLDEN ROSE OF CHINA" (HUGONIS)

You will be surprised and pleased with this most attractive bush, which greets you in the very earliest days of spring with its beautiful clear yellow flowers. You will be delighted, too, with its acacia-like foliage all Summer and Fall.

Hugonis makes good where other roses fail! It stood the test of 40 degrees below zero and came through thriving.

Hugonis has won its way into the lives of hundreds of people everywhere. Last year the supply was exhausted in mid-season. This spring a larger supply is ready for you. But don't wait—ORDER NOW!
